THE ARCHIBULL PRIZE 2017 CAREERS AWARD **HAYLEE MURRELL**

Winners of the secondary school competition, which was supported by S. Kidman & Co who provided mini iPads as prizes, were Joshua Carpenter from Grenfell and Haylee Murrell from Gunnedah.

17 year-old Haylee Murrell from Gunnedah High School won the senior division of the secondary competition with her portrayal of a day in the life of an agricultural consultant. "Before I entered this competition I had been so confused about what I wanted to do in agriculture," she said. "I wanted to combine my love of plants, animals and properties but I hadn't found a job that did all of the above. Doing this competition helped me discover more options I could take after school and luckily, I came across agricultural consultancy. After researching it I realised it is exactly what I want to do and I combined it with my dream to one day own my business!"
